**NOTICE TO STAKEHOLDERS:**

**Re: 2009 Stakeholder Meeting in Edmonton, March 17, 2009**

Please note that, based upon anticipated attendance numbers, the MSA has determined that it is not financially prudent to hold a stakeholder meeting in Edmonton at this time. Accordingly, the MSA is cancelling the Edmonton meeting, previously scheduled for March 17. We sincerely apologize for any inconvenience caused. We invite those who had planned to attend that meeting to join us in Calgary on March 18. The MSA will continue to canvass the interest in having future stakeholder meetings in Edmonton, and should the numbers warrant a stakeholder meeting in that city we will be glad to do so.

In respect of the stakeholder meeting in Calgary on March 18, we wish to advise that the agenda will feature a presentation and discussion by Martin Merritt of the status of the market during 2008 and early 2009, and a look forward at some of the work that the MSA will pursue over the balance of 2009, including what we anticipate as a result of the proposed new FEOC Regulation.

We thank you for your interest in the work of the MSA and look forward to meeting with you later this month in Calgary.

Sincerely,
