Notice to Market Participants

Re: MSA Feedback - Code of Conduct Regulation

Consistent with an update given in our Q3 Quarterly Report, the MSA is posting on its MSA Feedback Page views originally provided in a Notice published November 16, 2011.

The purpose of the re-posting is simply to cause the views to be published and archived in the new MSA Feedback format.

The MSA Feedback can be found through the following link:

[Feedback – Code of Conduct Regulation \(Electric Utilities Act\)](#)
